

## *Letter for candidates*

### *EFC General Assembly 2022*

Dear colleagues and friends,

Please note that the next General Assembly of the European Federation of Colposcopy (EFC) will take place during our 9<sup>th</sup> European congress on Friday the 10<sup>th</sup> of June 15h-16h30. The provisional agenda is enclosed to this email.

The election for the new EFC board will take place during this meeting. As you are aware, it is truly important that as many as possible European countries and national colposcopy societies are represented within the EFC board. The open positions are President-Elect, Secretary and Treasurer. Additionally, we are also seeking nominations for five candidates for the EFC Advisory Committee.

Please, let us know via email ([efcsecretariat@thetriumph.com](mailto:efcsecretariat@thetriumph.com)), if your national colposcopy society will nominate a candidate, who would be keen in joining our Board or apply to the advisory committee. We would be very happy to welcome all the candidates you are willing to promote from your national society.

We will also need to vote for the country that will host the 2026 EFC congress. Please let us know, if you want to apply. You will find the detailed policy for applying for congress hosting with the EFC enclosed to this email.

We look forward welcoming you to our next General Assembly and will be happy to answer any further query you may have.

Kind regards

**Pekka Nieminen** President
